The scenic Sonoran Desert Foothills of Cave Creek, Carefree and North Scottsdale are home to the largest and longest running six-day tour in Arizona. During this FREE SELF-GUIDED TOUR, Sonoran Arts League artists open their private art studios. Observe artists at work and gain insight into their materials and technique. See paintings, sculpture, jewelry and every art form in between, in a variety of styles and mediums. And purchase original works of art directly from nationally recognized artists.
